Mini Coffee Cups 3D Projects

Here is a cute idea that you can whip up in no time and fill with a single Keurig "K-cup", a handful of Hershey kisses, or lots of other ideas. Standing under 3" tall, this is a real 4-ounce coffee cup!

SUPPLIES

- **Stamps:** Perfect Blend (wood: 130745; clear: 131392)
  Ink: Jet Black StazOn ink pad (101406)
- **Paper:** Polka Dot Parade Designer Series Paper (126902); Naturals White cardstock (102316); scraps of cardstock to match Designer Paper
- **Accessories:** Big Shot die-cutting machine (113439); Square Lattice embossing folder (119976); Artisan Label punch (130920); Sticky Strip (104294); Stampin' Dimensionals (104430)

Cups and lids may be ordered online from www.webstaurantstore.com (items 9994W and 999L4W).

INSTRUCTIONS:

1. Print pattern and cut one cup pattern from Designer Paper and one band pattern from Naturals White cardstock. Run cardstock piece through Big Shot with embossing folder.
2. Use Sticky Strip to attach pieces to cup. Tip: align cup cover with seam on cup and then put the seam of the band directly opposite. This will be the front of the cup and will be covered by the tag.
3. Stamp sentiment on Naturals White cardstock with Black StazOn ink and punch with Artisan Label punch. Punch one from colored cardstock, cut in half, and use to layer. Attach to cup with Stampin' Dimensionals.
