Card Sizes:

- Base Card or Layer 1: Old Olive card stock 4 1/4" x 11"
- Layer 2: Merry Moments DSP 4 1/8" x 5 3/8"
- Layer 3: Old Olive card stock 4 1/4" x 5 1/2"
- Layer 4: Very Vanilla card stock 4 1/4" x 5 1/2"

Card Directions:

1. Take Layer 1 (Old Olive) and fold in half using your bone folder to give it a sharp crease.
2. Take Layer 2 (Merry Moments DSP) and wrap the ribbon (about 5 inches) around it (see photo for placement).
3. Take Layer 4 and run through Big Shot using the Oval Scallop Frame.
4. Mix shimmer paint and reinker together in small dish. I used about 5 drops of the reinker and a couple of drops of the shimmer paint because I wanted to soak up the sponge dauber but you have to experiment with what works for you. I used a toothpick to transfer the paint from the bottle to the dish and used this same toothpick to blend the reinker and paint.

- I then dabbed the ink on the tree image making sure that it covered all of the image. I then colored the tree and ground using the Chocolate Chip marker. Don't forget to huff on the stamp to make that it is moist.

I don't know if you can see it, but the shimmery effects makes for a beautiful tree!

- Take layer 3 (old olive) and using the Scallop Oval Frame, run it through the Big Shot
- Assemble as shown in photo.
- You're done!
