# Box to store cards

Once you have made beautiful cards, they deserve a beautiful box. And when it is that easy to make, there is no reason to hold back.

**Supplies:**

- **Stamps:** none
- **Ink**: none
- **Cardstock:** Coastal Cabana 8-1/2" X 11" Cardstock (131297), Eastern Elegance Designer Series Paper (130131), Whisper White 8-1/2X11 Card Stock (100730)
- **Accessories:** Crushed Curry 3/4" Chevron Ribbon (130019), Essentials Wooden Elements (132258), Top Note Stampin' Up! Bigz Die (113463), Deco Labels Collection Framelits Dies (130102) , Big Shot Die-Cut Machine (113439), Tombow Multi-Purpose Adhesive (110755),Stampin' Dimensionals (104430), Bone Folder (102300)
- **Other:** hole punch.

**Instructions:**

1. Score Coastal Cabana cardstock at 1-¼" on each long side and 4-½" the other way.
2. Refer to the attached diagram and cut on the orange lines. Fold on all the score line with your bone folder.
3. Assemble the box with Tombow multi-purpose glue.
4. Glue the rectangular piece of Eastern Elegance Designer Series paper (2"x6") to the front of the box.
5. Die cut a top note shape of another piece of Eastern Elegance Designer Series paper. Attach to the box with Stampin' Dimensionals.
6. Die cut the "Cards" label (see attached file to print with your printer on whisper white cardstock) with the smallest Deco Labels framelit. Glue to the top note piece. Glue a wooden arrow for an accent.

7. Punch holes for the handles. Thread ribbon, tying a knot on the inside of the box.
8. Fill up with cards and enjoy or better yet, it's  a perfect gift!
