Project Recipe:

1. Take Whip Cream card stock and fold in half using the Crease Tool for a sharp fold. Set aside.

2. Adhere Black Licorice Card Stock to base card - use Craft Glue

3. Emboss 3rd layer (Cranberry Bliss) using HO HO HO Bold Embossing Folder. Adhere to card using Craft Glue

4. Take 3 1/2" x 3 1/2" Whip Cream card stock and die cut using the Journey Circles Dies. Adhere to card (see picture for placement) using Craft Glue.

5. Use any greeting you would like or create a greeting in word. Adhere to front of card using Foam Squares. See card for placement.

6. Stamp bear image onto Whip Cream Card Stock using Black Licorice Ink Pad. Color in bear with a Blending Brush and the River Stone Reinker. To darken areas on bear, color several times with ink and brush.

7. Die cut bear using the Beary Best Die. Make a bow with the So Plaid Ribbon and adhere to front of bear. I used the Craft Glue, but the Mini Glue Dots will work as well.

Adhere bear to front of card with Foam Squares. Add sequins to give it a little bling.

You are done!
