STAMPIN' UP!
INSPIRE · CREATE · SHARE

Make, Keep, and Share Memories

One of my favorite scrapbooking memories growing up is an annual scrapbook page swap with my extended family at our Christmas reunion. Each family would create one or two spreads that showcased highlights, events, and milestones from that year. We made multiples of the spreads to share and swap so each family could add them to their own albums. As we exchanged pages, we'd pore over the photos, laugh at silly antics, and catch up on the year's happenings. I love this memory because these pages and photos prompted conversation, connection, and love within our family. To me, the heart of scrapbooking is capturing life's memories so we can share and enjoy them for years to come.

I hope you're as excited as I am about scrapbooking your memories with the products in this brochure!
